## Suggested Summer Reading List

### 1<sup>st</sup> Grade

This list is **suggestion** of books derived from the Accelerated Reader Program. Teacher suggestions, various websites and book reviews. This list is only a suggestion of some titles that your child might be interested in. Summer reading should be pleasurable not a grueling chore. Therefore, our best suggestion to you is, take your child to a bookstore or library and let them explore. Let them choose what books they are interested in and would like to read for the summer.

Students **are required** to read **two books during the summer**.

Please complete the attached sheet for each book read and **turn it in on the first day of school**. The children take great pride in sharing and displaying these reports.
