

A message from the Library!

Thanks to the generosity of our wonderful PTFO (and thanks to all of your great fundraising) we were able to subscribe to a new Library System called Destiny.

This system is web-based, interactive, and easy to use!
AND- you can use it from home!

Here are the steps to using our NEW Library system.

1. Go to *destiny.arch-no.org*.
2. Click on *Archdiocese of New Orleans*.
3. Click on *St. Charles Borromeo*.
4. At this point, you are a guest of our library and can search our catalog.
5. To see what books you (or your child) have checked out, click on login in the top right hand corner.
6. Enter the username and password that was sent home.
(Username should be last name and first initial, or first 2 letters of first name; All students have *scbnew* for their password.)
7. Books checked out to you are under MY INFO.

If you have any questions, or your username doesn't work, please call or email!
