

St. Charles Borromeo Elementary
Suggested Summer Reading
Kindergarten

This is an activity to keep your child interested in learning over the summer. Summer reading should be pleasurable, not a grueling chore. Therefore, our best suggestion to you is to take your child to the Library or bookstore and let them explore. Let them choose what books they are interested in.

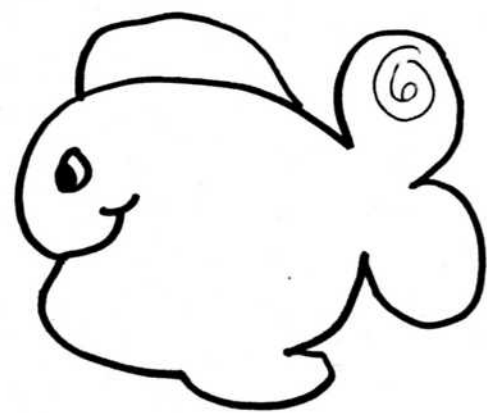

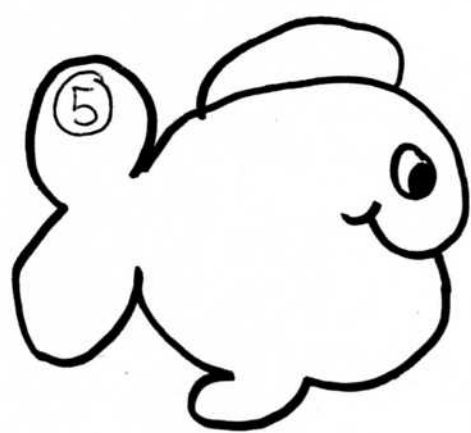

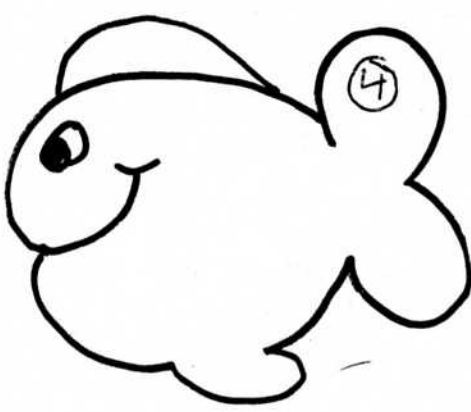

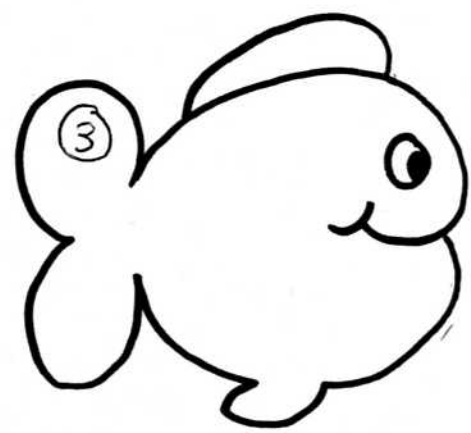

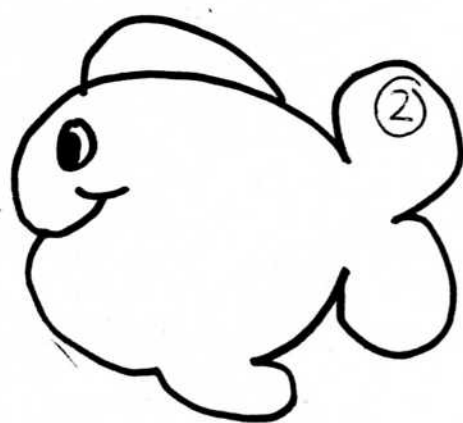

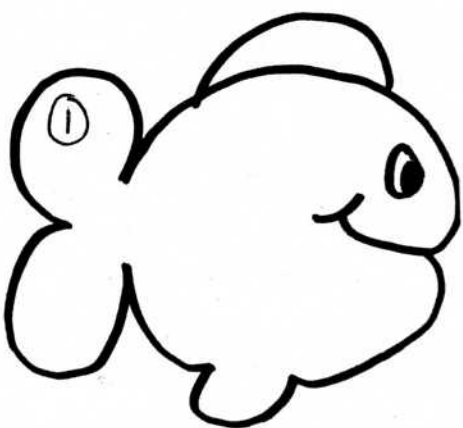

This activity reinforces something that you already do, probably every day. It is reading to and with your child. Students entering Kindergarten should fill out the attached sheet and turn it in on the first day of school in August.

Directions:

1. Have your child write their name on the top of the page.
2. Every time you read a book with your child, have your child color a fish and write the title of the book on the corresponding number on the bottom of the page.

Have fun and read lots of good books!

Name _____

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____
