School Theme: "I am the vine and you are the branches. He who abides in

Me and I in him, bears much fruit; for without Me you can do nothing." John 15:5

Contact: Note in folder, and we will call between 1:00 p.m. and 1:30 p.m.

Homework: Empty folders daily and discuss child's work.

Discipline: We will focus on positive behavior and encourage students when they are doing the right thing. We use distraction or substitution when a problem arises. We use peer problem solving with the students. We encourage students to use their words to express their feelings and not their hands. We encourage students to try and resolve their problems on their own, but of course we will intervene when necessary.
